Comprehensive cover – sections 1 and 2 of this policy apply.

Third-party, fire and theft cover – section 1 applies for loss of or damage to the motorcycle caused directly by fire, lightning, explosion, theft or attempted theft. Section 2 of this policy also applies.

Third-party only cover – section 2 of this policy applies.

The general exceptions and general conditions apply to all levels of cover.

Description of riders

Any person shown in the certificate of insurance can ride the motorcycle. Where 'any driver' is shown, please see the schedule for any restrictions.

No-claims bonus

For the purpose of the no-claims bonus, 'period of insurance' means one year from the beginning of the policy to the first renewal date, and then each year between renewal dates.

If no claim arises during the period of insurance, at the renewal date we will reduce the renewal premium in line with our no-claims bonus scale applying at the renewal date. You can ask for details of the no-claims bonus scale.

No claims bonus earned outside Ireland

We can accept no claims bonus documents from the Republic of Ireland, Northern Ireland, Great Britain, the EU, USA, Canada, Australia, and New Zealand.

If your no claims bonus has been earned outside of Ireland, we will contact the issuing insurer to confirm the document. If we cannot confirm the document through the issuing insurer, your no claims bonus discount may be removed and your premium increased. If the issuing insurer confirms the document is not valid, the policy may be cancelled.

If a claim arises during any period of insurance, we will reduce your no-claims bonus as follows.

No-claims bonus	Reduced to
1 year	0 years
2 years	0 years
3 years	0 years
4 years	1 year
5 years or above	2 years

Although you can protect your no claims bonus, your premium may still be affected by any claims we pay.

If two or more claims arise in any period of insurance, we will reduce your no-claims bonus to zero at your next renewal.

You cannot transfer your no-claims bonus to anyone else and it may only be used on one vehicle at a time.

We will not reduce your no-claims bonus as a result of:

- claims made under Section 3 Breakdown Assistance; or
- payments (including costs and expenses) which we later get back in full.

Introductory bonus

If we have reduced your first premium using an introductory bonus, we will remove the reduction if a claim arises during the period of insurance. We will do this when you renew the policy. At that stage you can then start to earn no-claims bonuses for periods of insurance in which no claim arises.

If no claim arises during the period of insurance, the introductory bonus will apply when you next renew the policy and at every renewal date until the introductory bonus equals or is less than the no-claims bonus reduction which would apply. The no-claims bonus you get will only take account of the period of cover we have provided under this or other motorcycle policies in your name.

Protected no-claims bonus

You can pay an extra premium for a protected no-claims bonus extension once you have earned a no-claims bonus of four years or more. You will keep that no-claims bonus as long as no more than one claim arises during the period of insurance for which the extra premium applies. Although you can protect your no-claims bonus, your premium may still be affected by any claims we pay. This cover only applies if it is shown in the schedule.

General conditions which apply to the whole policy

These general conditions apply to all sections of this policy.

Where we refer to 'you' in these conditions, it includes your personal representative.

1. We will only have to make a payment under this policy if:
 - a all the answers in the proposal and declaration for this insurance are true and complete; and
 - b you or any insured person meets all the terms, conditions and endorsements of this policy; and
 - c you have proven you have an insurable interest in the vehicle being insured.

Cancellation

2. You may cancel the policy at any time by telling us and returning the certificate of insurance.

If you want to cancel your policy within the first 14 working days, we will refund your premium for any period of insurance remaining.

If you cancel your policy after the first 14 working days, we will refund your premium for any period of insurance remaining, less an administration fee of €50.

3. If you pay by instalments you have agreed to pay the premium on the due date, or dates, as set out in that agreement. If you do not make a payment on time, we can cancel the policy by sending you 10 days' written notice by post or email. We will refund your premium for any period of insurance remaining. The rates are based on the yearly premium being paid in full. If the amount you have paid does not cover the premium owed, we have the right to recover the money that you owe.

We do not refund any amount which is less than €30.

All premium may only be issued as long as no claim or loss has arisen during the current period of insurance and we have received your certificate of insurance.

We may choose to cancel the policy, giving you a reason, by sending you 10 days' written notice to your last known address. We will refund your premium for any period of insurance remaining. You must return to us immediately your certificate of insurance to avoid any action we may take against you to recover it.

Policy changes

4. You must:
 - a let us know the details of any new or replacement motorcycle before you buy or change motorcycles;
 - b pay us any extra premium we may ask for as a result of the new or replacement motorcycle; and
 - c let us know if you sell, dispose of or change ownership of the motorcycle.

All cover for the motorcycle will end and you must return the certificate of insurance to qualify for any refund of premium which we may allow.

If you do not give us, and we do not confirm full details of the motorcycle, the insurance will not apply to the motorcycle and we will not be responsible for any

accident, injury, loss, damage or liability arising as a result of any accident caused by or in connection with that motorcycle.

5. You must tell us immediately about any material change to your policy, as that change may require us to reassess your cover or move you to a more suitable policy option. Examples of material changes include;
- a the main user of the motorcycle changes;
 - b you or anyone covered by this policy are charged or convicted of a motoring offence or are notified of any pending prosecutions;
 - c you become aware of any medical or physical condition of any rider that may affect their ability to drive;
 - d you wish to use the motorcycle for any use not currently included in your certificate of insurance.

This is not a full list and you should tell us about any change if you are not sure whether it is material or not.

When you tell us about a change, we may then reassess your cover. Certain changes may not be acceptable. If you do not tell us about any relevant changes, we may:

- i. reject or reduce your claim; or
 - ii. cancel the policy from the date of the change or the last renewal date, whichever is later.
6. If the terms of the policy change in any way, there may be an administration fee of €25. We do not refund any amounts less than €30, and we will not charge any extra amounts less than €30. We will only refund any premium if we have received all the documents we need to carry out the alteration.

Claims

7. a You must report any accident, injury, loss or damage involving the motorcycle or any other motorcycle which is insured under this policy to us immediately (or by the next working day). We may send you an accident report form which you must fill in and return as soon as possible.
- b Following loss of or damage to the motorcycle as a result of theft, attempted theft or malicious damage, you must immediately contact the Garda and send us a copy of the Garda report. The report must say that the loss or damage was the result of theft, attempted theft or malicious damage.
- c You must also write and let us know as soon as you become aware of any current or future prosecution or inquest in connection with any event for which there may be any liability under this policy.
- d You or any insured person must immediately send us any correspondence relating to any incident without answering it. You or any other insured person must give us all the help we need. You must never accept responsibility or offer or promise payment without our written permission.
- e We will be entitled to take over and act in your name (or in the name of any other insured person) to defend or settle any claim. We may prosecute, in your name or in the name of any other person (at our expense and for our benefit), to recover any amount we have paid. We will be able to decide how any proceedings or settlements are handled.

- f If you make a claim, we are entitled to instruct and to give information about you and your policy to other people such as suppliers, private investigators and loss adjusters.
 - g You or any insured person must not do anything to harm our interests.
 - h If you make a claim, we may appoint our own repairers to carry out any repair work.
8. If, at the time any claim arises under this policy, there is any other insurance covering the same accident, injury, loss, damage or liability, we will only pay our share of any loss, damage, compensation, costs or expenses.
9. If, under the law of any country, we have to make a payment which we would otherwise not have made under this policy, we may recover any payment from you or from the person who the claim was made against.

Duty of care

10. You or any insured person must:

- a take all reasonable steps to prevent accidents, injuries, loss or damage;

- c as a result of the accident you or any insured person is convicted of, or has a prosecution pending for, an offence involving alcohol or drugs.

If an accident happens under any of the above, then:

- i the cover provided in section 1 of the policy for loss of or damage to the insured vehicle will not apply;
- ii you or any person driving must repay all the amounts we have paid to cover any claims arising from the accident; and
- iii we may cancel your policy.

Fraud and misrepresentation

14. You and anyone else acting for you or insured under this policy may lose all rights or partial rights under the policy if you or they:

- a provide fraudulent or misrepresentative information for example, an incorrect address, no-claims bonus, date of birth, licence, and so on when applying for, renewing or amending a policy;
- b makes or attempts to make a fraudulent claim or exaggerate a claim;
- c provide information to support a claim that is not true and complete;
- d provide false or stolen documents;
- e deliberately fail to tell us of some or all facts relating to a policy or claim; or
- f make a claim for loss or damage caused by your or their deliberate or criminal act or omission or with your knowledge or involvement.
- g If, after a claim has been made under this policy, you become aware of information that would either support or impact the validity of that claim you must disclose such information to us.

We may also attempt to obtain a prosecution against you or any person acting for you or insured under this policy. If you provide fraudulent or misleading information, misrepresent or exaggerate a claim or provide false or stolen documents, we may also tell An Garda Síochána, other law-enforcement agencies, other companies in the Liberty Mutual Insurance Group, other insurers and their agents, credit-reference agencies, fraud-prevention agencies, government agencies, regulatory authorities and other organisations concerned with fraud.

Customer Conduct

Our staff members come to work to provide great customer service, to listen to concerns and treat all customers fairly and with courtesy. We also expect our staff members to be treated with respect and therefore will not tolerate unreasonable, abusive or threatening behaviour.

Unreasonable conduct can include:

- Threats of violence, abuse of staff members, rude, offensive or aggressive conduct;
- Unreasonable persistence;
- Unreasonable demands;
- Unreasonable lack of co-operation;
- Unwillingness to comply with Liberty procedures.

Staff members who directly experience unreasonable behaviour may deal with the behaviour at the time of the incident in a manner they consider appropriate which may include politely terminating a conversation. These decisions will only be made in exceptional circumstances and where all reasonable efforts have been made to find an alternative solution.

If the unreasonable behaviour continues, we may regretfully have to take action to restrict unnecessary contact. The decision to restrict contact will only normally be taken after we have reviewed the service given by to the customer. Any restrictions put in place will be appropriate and proportionate.
